

MBA Carbon Literacy Training

22nd – 24th January 2024

What is the Carbon literacy project?

The Carbon Literacy Project (CLP) course is an externally accredited course, upon successful completion you will be able to add this as a recognised accreditation to your CV.

Instructions for the course

Please arrive promptly in the MBA room in SOM for the beginning of each session.

You will not need a laptop, but it might be useful to bring one along to the session 15 on the last day so that you can complete your pledge form.
